

YEARBOOKS MADE SIMPLE!

Regardless of whether you have produced a yearbook in the past, Creative Outlook can help save you money and help you earn some! Our yearbook prices are lower than most publishing companies, plus we do all the work. Your school also can earn funds from selling yearbooks to your students. If your school sells business ads and highest-grade personal ads your school can earn even more. Creative Outlook will provide you with an order form template for the students at no additional cost; printed forms for all students are available for an added charge.

BIOGRAPHY

YEARBOOKS DESIGNED & PRINTED LOCALLY

IT'S THE SCHOOL & MEMORIES

STUDENTS' THAT MAKE A YEARBOOK.

**YEARBOOKS ARE MORE THEN JUST PHOTOS,
THEY ARE THE STUDENTS' MEMORIES.
WHEN SCHOOLS PRODUCE YEARBOOKS THEY PRESERVE MEMORIES.**

MEMORIES Creative Outlook produces your school's memories through personalized yearbooks. We produce color and black/white yearbooks for any size school. We design every page in the yearbook, personalized for your school. Throughout the design process, we will be there.

FAST & EASY Most yearbook publishers make the school lay out the pages using templates or by uploading to the Internet, but Creative Outlook does everything for you. We design, print and layout your book. All you do is submit the digital photographs*! We also can provide scanning and photography if needed. It's that easy!

LOW COST You decide how many photos you want without additional charges. You decide how many pages according to cost. Creative Outlook can print large or small quantities*. We also offer re-runs if needed. We offer flexibility to fit your budget.
